

load\_drag\_tables.h

```
graph TD; A[load_drag_tables.h] --> B[stdlib.h]; A --> C[compiler_macros.h];
```

A diagram showing a header file 'load\_drag\_tables.h' at the top, with two blue arrows pointing down to 'stdlib.h' on the left and 'compiler\_macros.h' on the right. The boxes for 'load\_drag\_tables.h' and 'stdlib.h' are shaded gray, while the box for 'compiler\_macros.h' is white.
